

The Learning Disability  
Forum for Leeds

## Strategy 2016-2019

Tenfold supports third sector organisations who work with and for people with learning disabilities in Leeds.

Our vision is:

To create equality for people with learning disabilities in Leeds.

Our mission is:

To be a catalyst for our members to improve opportunities for people with learning disabilities.

We do this through:

- » **Sharing Information**
- » **Connecting People**
- » **Driving Change**

Tenfold is all about...

The Learning Disability  
Forum for Leeds

## Sharing Information

Providing the information people need through:

- » Accessible information
- » Promoting opportunities
- » E-bulletins and Website
- » Sharing News and Events
- » Social Media
- » Leaflets and Print
- » Meetings and Networking

The right messages

## Connecting People

Facilitating strong relationships by:

- » Working across all sectors
- » Partnership working
- » Giving people a voice
- » Facilitating collaboration
- » Bringing members together
- » Connecting with decision makers
- » Reaching new audiences

The right people

## Driving Change

Helping people shape their own services through:

- » Raising awareness
- » Influencing the right people
- » A person-centred approach
- » Campaigning
- » Representation
- » Consultations
- » Direct engagement

The right change
